PETITION TO REVIVE UNINTENTIONALLY ABANDONED APPLICATION

S I R:

Applicants hereby petition the Commissioner to revive the
above-identified application.

An Advisory Action was mailed in connection with the above-
identified application on September 15, 2004. However, the
Advisory Action was never received by the undersigned attorney.

The application has become abandoned because an adequate response was not filed to the Office Action dated February 11, 2004.

The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

A Request for Continued Examination for entering the Amendment dated May 11, 2004 is attached.

A check in the amount of \$ 1,500.00 to cover the Petition Fee as set forth in 37 CFR 1.17(m) is also enclosed.

Any additional fees or charges required at this time in connection with the application may be charged to Patent and Trademark Office Deposit Account Number 11-1835.

Respectfully submitted,

F. Kueffner
